

**Position:** Valuation Associate (Chicago and Wood Dale, Illinois)

**Summary:** HYPERAMS, a financial services firm, is looking for smart, capable, and enthusiastic candidates who want to start a dynamic and in-demand career path. As an Valuation Associate, you'll first receive on-the-job training from management. Once established, the Valuation Associate will have the best of both worlds – the ability to work in an office setting while also traveling frequently throughout the country conducting onsite asset inspections. Grow and advance in a specialized career and gain valuable project management skills.

**Location:** This position is based in Chicago and Wood Dale, Illinois with the potential to work remotely once the candidate is established. We're looking for travel lovers only: Valuation Associates perform occasional local day travel as well as multi-day travel projects.

**Job Type and Salary:** Full-time, salaried position. Competitive salary based on experience with yearly bonus.

**Job Description and Duties:**

- Assist senior team members with on-site asset inspections of machinery, equipment, and similar industrial and commercial assets for identification and analysis purposes, with the goal of eventually working independently. This includes touring manufacturing plants, talking with plant managers, and gathering asset lists;
- Use company-provided information to write equipment descriptions and put into a standardized Excel template;
- Assist in the valuation of the assets and researching assets via Internet and provided trade sources, and, if necessary, calling dealers, manufacturers, and industry experts;
- Work with management and report Writer to develop final report; and
- Other duties assigned as needed.

**Skills/Qualifications:**

This is an entry-level opportunity, but we also encourage applicants with appraisal backgrounds who want to join a company where people stay, advance, and grow as professionals. You'll be provided with on-the-job training by experienced team members learning how to value assets and conduct appraisals. HYPERAMS will pay for Valuation Associates to attend classes and gain their American Society of Appraisers' certification.

- Bachelor's degree required;
- Proficiency with Microsoft Word, Excel, and Outlook, and general skills with Internet usage and ability to learn proprietary software;
- Excellent interpersonal skills and ability to interact professionally with all levels of management;
- Tenacious self-starter, extremely organized and detail-oriented with a strong commitment to quality and accuracy;
- Ability to work both independently and within a team;
- Candidate must have own vehicle and valid driver's license; and
- Ability to travel up to 50% of the time once established.

**Benefits:**

- Travel opportunities with travel expenses paid by HYPERAMS – plus, you get to keep points accrued from airlines and hotels for your next vacation;

- Ability to work in a dynamic, fast-paced environment;
- Health, Dental, and Eye insurance and vacation packages;
- 401K plus company-matching retirement savings accounts;
- Yearly bonus/profit sharing based on HYPERAMS sales performance;
- Advancement opportunities; and
- On-the-job training provided.
