

Position: Senior Associate (Chicago, Illinois)

Position Summary: HYPERAMS is a boutique business looking for qualified candidates that are interested in joining a fast-growing company. The Senior Associate will be responsible for performing all aspects of inventory appraisals including analyzing and presenting business and financial data, traveling to client facilities to inspect assets and interview company leadership, maintaining strong communication with internal and external stakeholders throughout the process, and collaborating with writers on appraisal reports. Candidates will be provided with on-the-job training and support from a professional, experienced staff in order to gain competency in these responsibilities. Ideal candidates will be highly motivated and interested in challenging themselves, as well as learning about businesses in a wide variety of industries. This position is situated within a fast growing company, and successful candidates will have opportunities for advancement. This position is located in Chicago and Rolling Meadows, Illinois.

Position Duties:

- Interpret and analyze data, develop assessment of inventory values, and submit findings;
- Travel to client locations throughout the United States to inspect assets and meet with management;
- Become familiar with specific terminology and business practices across a wide range of industries;
- Perform independent research on industries and companies;
- Discuss with clients business trends and factors affecting inventory, and take organized notes;
- Present data analysis in a professional, standardized format in Excel;
- Work with report Writer to develop final report;
- Communicate details of appraisals clearly and professionally to internal and external stakeholders.

Skills/Qualifications:

- Bachelor's Degree required;
- 3-5 years of relevant work experience preferred;
- Strong Microsoft Excel skills (pivot tables, lookups, "if" statements and a wide range of other functions, importing data, formatting), Microsoft Word, Microsoft Outlook, and general skills with Internet/Intranet usage and ability to learn proprietary software;
- Excellent interpersonal skills, both written and oral, as well as an ability to interact professionally with all levels of management;
- Tenacious self-starter, extremely organized and detail-oriented with a strong commitment to quality and accuracy;
- Ability to manage and adjust priorities independently and stay organized while working on multiple projects;
- Ability to work both independently and within a team;
- Candidate must have own vehicle and valid driver's license; and
- Ability to travel up to 33% of the time.

Benefits:

- Travel opportunities
- Ability to work in a dynamic, fast-paced environment

- Competitive health insurance and vacation packages
- 401K plus company matching retirement savings accounts
- Advancement Opportunities
- Join a boutique shop looking for employees that are interested in learning the business and growing with the company.
